Corporate Facts and Figures

The Arbor Company is an Atlanta-based operator of senior living communities across the United States. We strive to deliver the highest quality care and service to residents and their families. The company's innovative Engaged Living program creates meaningful moments through structured activity programs and spontaneous interactions, filling each day with the right balance of purpose and fun.

By the Numbers

- The Arbor Company operates more than 40 independent living, assisted living, and dementia care communities. [View a list of our communities.](#)
- More than 30 years of dedication and experience
- More than 3,000 Arbor people across 11 states
- Certified two years in a row as a Great Place To Work[®] based on confidential employee feedback.

The Arbor Way

We listen. We respond. We Care.

As a community of caregivers we are here for one purpose: to engage and enrich the health and spirit of our residents. We honor individuality and celebrate each person's unique life through deep connections with our residents, families, and staff. We create delightful surprises and meaningful moments within a safe and caring community.

Arbor People

The Arbor Company offers award-winning training programs, which help staff develop new skills and strategies.

Our commitment to continuing education includes tuition reimbursement to help our team members build long-term careers in senior living.
