Assisted Living

In our assisted living community, our dining team goes above and beyond to meet each resident's dietary requirements and personal tastes, ensuring a rich variety of options full of the flavor they've always loved.

Dogwood

For those in the moderate stages of dementia or memory loss, we offer our Dogwood program. Your loved one will benefit from our tailored programs and unique neighborhood design which fosters greater socialization and engagement.

Lantana Memory Care

Our award-winning Lantana Memory Care dining program is designed with a deep understanding of the nutritional challenges that can accompany cognitive decline to provide the comfort of home and offer a truly personalized experience.

Life The Way You Want It

Assisted Living at The Gardens at Eastside is life the way you want it, plus more. More support, more guidance, more engagement, more structure, more care-more of whatever it is you need. The key is finding the right balance for each individual to be as independent as possible along with the safety and comfort knowing your needs are within reach. Our staff and services provide our residents with the extra care or support they need to live a full and fulfilling life, while offering their loved ones peace of mind. And with our delicious dining, engaging pursuits, and luxurious amenities, residents build a life where they can thrive. Everything is possible at The Gardens at Eastside.

- Staying connected is essential for maintaining optimum health as we age. When you choose our assisted living lifestyle, you will experience all of the relationships and social occasions that enrich your life.
- We take a deeply personal approach to assisted care, beginning with understanding your unique interests, needs and history. This ensures loved ones always receive the right support when they need and where they need it.
- Whatever pastimes you enjoy, you'll find plenty of activities to choose from here. Embrace your artistic side with a painting class, enjoy a yoga class, or go shopping with friends on one of our many group excursions. You'll relish the fact that you'll never feel bored at The Gardens at Eastside.

Dogwood 14

Tailored Compassionate Care

In our **Dogwood** program, your loved one in the moderate stages of dementia or memory loss has a place to come home to where they feel safe, cared for and fulfilled. We offer countless opportunities to engage the mind, body and spirit. From extensive amenities to compassionate services, our community is fully equipped to offer everything residents need to attain their dream lifestyle without sacrificing the freedoms and dignity they deserve. Welcome to everything an award-winning memory care experience should be.

- Our dining team is here to ensure your loved one enjoys the food they love while receiving all the nutrition that's scientifically shown to slow cognitive decline and keep seniors operating at their best.
- Our approach to memory care is unique to every individual that walks through our doors, with care plans that stay flexible and accommodate any changes in your loved one's needs as well as empathetic caregivers available to assist any time of day.
- At The Gardens, life is never boring. This is thanks to our experienced engagement team, who receive feedback from residents and create an activity calendar packed with their favorite things to do. From themed movie nights and happy hours to exciting day trips, there is something for everyone to enjoy and plenty of friends to be made along the way.

Lantana Care

Making Deep Connections

Lantana Memory Care at The Gardens at Eastside is both consistent and unique to the resident's journey. We make deep connections with each resident with a focus on honoring their history, supporting their present status, and encouraging their brightest future. Our staff is trained to understand how to provide comprehensive care to residents living with dementia and other cognitive impairments and memory loss. Being among others on the same place in their journey allows residents to feel comfort in communication, and prolongs their social independence in a setting that is safe and secure. No two residents are on the exact same path, so we adjust to meet each individual's needs and preferences.

- In our thoughtfully designed Lantana Memory Care Neighborhood, our core values are built on the foundation of fostering deep connections while enjoying an active lifestyle. There's truly something for everyone, with specialized exercise programs and tranquil sensory groups to shopping and dining trips. Our residents find an increased quality of life and their loved ones find peace of mind.
- Quality care for those with dementia has been the core of our legacy 30+ years in the making. At The Gardens, we ensure every individual feels safe, comforted, and cared for.
- Our award-winning dining program at The Gardens at Eastside ensures every resident's preferences and needs are met. Does your loved one have special dietary restrictions? What about nutrients that specialize in cognitive function or modified textures? We are always happy to accommodate, while never sacrificing superior flavor and quality.

Our Commitment to You

Our guarantee is based on our belief that you've chosen the right place. We want you to be satisfied with your decision, and if you're not, we'll make it right. If you decide that we haven't met your expectations in the first 60 days, we are happy to refund your monthly fees and assist in finding an alternate solution for you.
